# About us

CV. Mitra Tata Usaha was established in 2020, located in Mojokerto, Indonesia. Initially, we supplied and sold molasses products and industrial salt/iodized salt for local industries in Indonesia. In its development, we see a potential international market demand for several products originating from Indonesia.

CV. Mitra Tata Usaha become a trade and supply company for Coco Fiber, Rattan Handicraft, Wood Pellet, Sulfur Stone products. Our promise is to market and supply quality local Indonesian products worldwide and to help local companies we work with to reach international markets. We have connected with many business partners and many employees.
